create an hr policy from 2 papers pdf

Yes—I can turn two PDFs into a clear HR policy. Upload both PDFs and tell me the policy topic you want, such as disciplinary, grievance, flexible working, attendance, or hybrid working.

What I need

Please send:

- The 2 PDF files.
- The policy title or topic you want created.
- Your company name.
- The country/jurisdiction to draft for, for example UK.
- Whether you want a short policy, a full handbook section, or both.

What I'll produce

I can combine both documents into one polished policy with:

- Purpose and scope.
- Roles and responsibilities.
- The policy rules.
- Procedure steps.
- Review date and approval section.

UK drafting note

For UK employers, ACAS provides policy templates and Codes of Practice that are commonly used as a baseline for fair, practical HR wording, and employment tribunals take relevant ACAS Codes into account.[1] [2]

Upload the two PDFs and tell me the policy type you want first.
